

## PART 1 of 3

Gary:

Dear friend, my name is Gary, and I'm glad you found this website. I've served as a pastor for more than 20 years. And then, I began serving with the I Am A Watchman Ministry. I don't believe you found this website or have come across this video by accident. You are watching this video because the spirit of God has led you to it. And by his grace, you are now being offered another chance at eternal life. I'm assuming you're watching this video because an unprecedented event has happened.

If millions of people from every country of every race from every socioeconomic background are suddenly missing, you will want to know what happened, what to do now, and what is about to happen. This is part one of a three-part message titled post rapture emergency message. Let me begin by sharing, there are short and long answers to the important questions what has happened and what to do now and what is about to happen.

So, what I Am A Watchman Ministry founder Scott and I have done is provide three short 10- minute audio files that will answer those questions. And then we'll point you to a free download of more than 24 gigabytes of follow-up information. The books, documents, and videos we invite you to download will prove that the short answers on these three audio files are true. The information will include recommendations regarding what to do now, and it will provide insight regarding what is about to happen. But most importantly, the information will communicate how to live a life of honor for God at this pivotal point in history. It is our gift to you to help you in this great time of need. Let me introduce Scott. He'll share briefly about what has happened.

Scott:

Thank you, Gary. Many Christian ministries, including ours have anticipated the day when news headlines would be filled with stories of how millions across the globe suddenly vanished. These disappearances will be captured on live TV, streaming security cameras, and on mobile phones, puzzling the entire planet. You will witness a person in plain sight, one millisecond, and then in the blink of an eye, they will be gone. We've warned that one day soon planes would go down, trains would derail, cars would crash, and basic services would be disrupted all because the believing person piloting the plane or running the train or driving the cars unexpectedly vanished. We warned that when tens of millions disappear, there would be mass chaos and panic and many fabricated explanations for what has happened will begin to emerge. Perhaps you remember warnings from Christians who spoke of a coming rapture, a momentous event where Jesus returns to whisk away born again followers of Jesus Christ in advance of terrible judgments and tribulations coming to the earth.

If millions suddenly disappeared throughout the world, then that long anticipated event has indeed happened. The Bible has long taught that Jesus would one day return and rapture his people, snatching them away as it were from the earth before the antichrist comes to power and the terrible seven year tribulation begins. You are in greater peril than you realize. The Apostle Paul who wrote many of the books of the new Testament wrote this prophecy. "For the Lord himself will descend from heaven with a shout, with the voice of the Archangel and with the trumpet of God and the dead in Christ shall rise first. Then we, which are alive and remain shall be caught up together with them in the clouds and will meet the Lord in the air."

And that's just what has happened. The Lord Jesus came for us and born again believers that died long ago or that are alive right now were just caught up into the clouds to meet the Lord in the air. We are now in heaven, never to be separated from our Lord Jesus ever again. We want you to know that the

rapture doctrine has a strong biblical foundation stretching back thousands of years. In just the third chapter of Genesis, the first book of the Bible, we find a prophecy about a coming savior. This prophecy came true when Jesus was born.

Jesus said he would die, that he would rise again on the third day. And he did. And Jesus also said that he would ascend in to heaven. And here is a key point. He promised us that he would return against suddenly like a thief in the night and rescue his followers from the earth. Bible prophecy has been fulfilled because Jesus has come just as he promised. Now, I know that's a lot of information to absorb, especially if the terms rapture or antichrist or tribulation are not familiar to you.

Friends, there is much to learn. And we want to help. Beginning with the fact that for some of you, perhaps many of you, you may be shocked, dismayed, confused, and perhaps crushed by the knowledge that the religious framework you thought led to a genuine and saving relationship with God turned out to be in error. You are not alone in this error, but there is hope, tremendous hope that there is still a way, but it will be hard. As we'll see throughout this presentation and continuing into the other downloadable materials we've provided for you, there are critical discussions about the truth of the gospel and a call for you to repent, humble yourself, and call out to Jesus Christ for salvation.

Now, before I turn this back over to Gary, I want to assure you that though you may have missed the rapture, you can still turn to Christ. You can be forgiven. You can have the hope of heaven and live a life of meaning and have a desire to finish well for the Lord. Now, here's Gary to introduce what your best next step is.

Gary:

Thank you, Scott. This may be difficult for some to believe, but the rapture event has taken place, at least in part to prove to the world that the Bible is true. Bible prophecy foretold that a rapture would happen and how it was going to happen. The fulfillment of hundreds of Bible prophecies prove that the Bible is accurate, divinely inspired, and true. Therefore, my friends, it's important to understand and believe that what the Bible says about sin and forgiveness and salvation is also true. The Bible speaks of an enemy, Satan, a fallen angel who has many followers, Satan, and his demons hate all that God loves. And that includes you. He expertly works to keep humans confused, uninformed, and uninterested in spiritual things. Perhaps that described you. But the most important things are the spiritual things.

Spiritual things are eternal. Your spirit is eternal and how you align your life either with God or with Satan, and there are no other options, well, that will determine your eternal destiny. Those who in the past made the commitment to align with God through his son, Jesus Christ, were taken in the rapture. This proves that God is real. That Jesus is Lord. And that the Bible is true. Those who were taken are now in heaven and will live eternally with the Lord in a wondrous new reality. For those taken, the long awaited promise of redemption was realized. You were not taken in the rapture because you did not choose to become a devoted follower of Jesus Christ. Christ has already come in the rapture event in the clouds for his people, but listen, he will come again.

Next time, all eyes will see him. The Bible says he will appear in glory. The world will see his feet will touch down on the Mount of Olives in Jerusalem. And he will bring an end to pain and suffering and war and the reign of the antichrist. And then he will usher in a season of joy and peace. The Bible refers to as the millennial reign of Christ. Christ will come again at the end of the seven year tribulation period. You were not ready when Jesus came in the rapture, will you be ready when he comes again? It may be about seven years from now, but I caution you not to wait. Bible prophecy notes that the next years will be marked by persecution, war, famine, pestilence, foul weather, earthquakes, and death. Billions will die. You are not promised tomorrow, but the Lord has given you this moment, this opportunity to align

with God and become a true follower of Jesus and receive the assurance that your eternal home will be in heaven and not in hell.

You can be forgiven. You can be saved and put in right relationship with God, but only if you are fully committed to him. It's not enough to know about him or to believe that God exists. It's not enough to just believe. The Bible says even the demons believe. What you need to do is commit, commit your life to him, be ready to live for him, to serve him, to witness for him. That's what it is to be truly committed to him. I expect that many who were left behind thought that they were good Christians, that they would surely be taken up into heaven in the rapture, but they weren't. And that's because their faith or their commitment to live for Christ was not serious and sincere. But you can finalize your decision to be a true committed follower of Jesus Christ right now.

God has given you another opportunity to choose. I pray you choose well. Time is short. Make the decision now. It is urgent that you do so. Choosing to believe in Christ and become a servant for Christ is the most important next step you can take. And know this, to not choose to be a follower and servant of Christ is to choose to stand against Christ. In truth, everyone is a follower of someone. Either you're aligned with Christ or you are aligned with Satan. I'm sorry, but that's the hard truth. There is no middle ground. You are either with God or against him.

I'm asking you; I'm urging you right now. Choose to live for God. God loves you. He wants to help you. Forgive you, use you, and reveal great insights to you. The days of planet earth, as you know it, are numbered. Tribulation is coming. The Bible states that half of the world's population will die in two giant global waves. Not many will live much longer, but you can live forever in heaven with God and all who were raptured by the Lord. This amazing reality can be yours if you truly believe. If you are ready to receive God's love and grace and are willing to set aside your plans and your priorities, and as best you can live for him. Click on part two of this message and Scott and I will walk you through the process of becoming a believer in and follower of Jesus Christ.

But just in case you cannot click on the next part of this message, let me lead you in a prayer for salvation right now. Hear me. If you pray a prayer like this, and you are sincere, then you will be forgiven and you will be saved. You don't need me. You don't need a pastor to be saved. All you need is a willing heart and to pray a prayer that is similar to what I am about to pray. If you're ready to make that decision to become a faithful follower of Jesus Christ when it's easy and when it's hard from now until the day that God calls you home, then you can repeat the words that I pray, or you can pray in your own words following the sentiments of this prayer. And in doing this, you will align your heart, your mind, and your eternal soul with God. You can be saved. Let's pray.

Dear heavenly father, I believe in you. I'm sorry, Lord, that I have not lived my life for you. I believe that you have come in the rapture and that you are coming again. I believe that the Bible is true. I believe that you lived a perfect life, that you died for me on the cross so that my sins can be forgiven. I believe that you rose again on the third day, and I believe you invite me to become a child of the king. I confess my sins to you. I believe in you and I want to live for you. God, help me to live for you. Dear Jesus, I love you. I believe in you. Help me Lord to live for you. In Jesus name. Amen.

## PART 2 of 3

Scott:

Hello. This is Scott again with Part Two of our Post Rapture Emergency Message Teaching Series. If you have not yet listened to Part One, I suggest you do so now, because what we will be discussing here builds on that previous message. Along with Gary, I have the privilege of helping walk you through the most important decision you will ever make, how to become a true follower of Jesus Christ. This step of

faith will lead to forgiveness and assurance of salvation in God's eyes, and it's important to phrase it that way because man-made religious traditions lead to a false understanding of how to be saved. So let me begin by sharing a few important things to remember. First, Gary and I are here to encourage, inform, and assist you in this life-changing commitment. You'll find yourself letting go of religious rules and traditions and fully relying on belief and faith in what Jesus has already accomplished.

It's not about us. It's about Jesus. Adding to that, this decision of faith is between you and God only. No one can control or manipulate you. You have free will. This is your decision entirely. You are literally being invited to enter into a relationship with Jesus Christ. Millions of believers have already done so, including me. Second, your statement of faith is not about praying perfect words. It's about praying from your heart. What is needed is for you to tell God in your own words that you have sinned and done things that have not met his perfect and holy standard, that you are sorry for what you've done, that you fully realize your need for his forgiving touch and unconditional love, that you believe the Bible is true and that you desire to commit your life to live for him, which in part means you're willing to learn and grow and tell others about your new faith.

The time you are in is a very desperate and evil time. You are in the last days and your number one need is salvation in Jesus Christ. That is the real answer to the plight that you find yourself in. It is critical to understand how to finish well in these last days. It is impossible to recover from being left behind after the rapture unless you come to repentance and faith in Christ. You should desire to finish well, and the only way to do so is to be found in Christ. Third, know deep down that sincere salvation decisions are irrevocable. That means God is not going to change his mind about loving you. Now, Satan, a fallen angel and the enemy of God, does not want you to believe that. The Bible says that he is the father of lies and deception and seeks to kill, steal, and destroy that which God loves, and Satan will in the days ahead attack your mind. He will try to make you doubt and that you are not saved and that your early steps of faith are a figment of your imagination.

Don't yield to Satan's devices but yield to the Holy Spirit in all regards. Among the lies Satan will whisper to you are, "You're not worthy. You're not good enough. The Bible is not true. God really doesn't love you." I'm telling you now that you are listening to this emergency message because God wanted you to hear this message. He is literally reaching out to you right now because he wants you to enter into a relationship with him right here, right now. If you are sincere about entering into a relationship with him, God will establish an eternal relationship with you. He is able and willing to save you. And finally, know this, becoming a Christ follower is not something people do once and then forget about, treating it as a form of fire insurance or as a way to get to heaven. No, we're describing a relationship with Christ. He is the son of God and member of the Trinity, co-equal to the father and Holy Spirit.

Although salvation happens immediately when you believe and surrender to Christ, your new relationship with him involves getting to know him through reading the word of God. And as we do so, we undergo a maturing process that takes time as we individually grow into Christlikeness. Let me expand on that because this is very important, and Gary and I want to make sure you understand this well. You should not think, "Once upon a time, I made a decision for Christ and therefore I'm good to go." No, the term Christ follower should be thought of in the present active tense. I am continuously in relationship with Jesus Christ actively pursuing faith and belief in God, growing as a believer, and developing a willingness to help and serve others. Make getting a Bible a very high priority and read it so your new faith can grow. May I recommend starting in the New Testament, perhaps focusing initially on John, then continue reading into Revelation. We have many resources available on the Rapture Kit that will help you along the way.

Now, a Christian does not just know about God. They actively live for God and sacrifice for God and witness for God and, if necessary, will lay down their life as a martyr for God. I am so sorry to tell you

this, but the Bible predicts that Christ followers will be persecuted, and many will perish. In the back of your mind, you may have already felt a sense of dread along these lines. You will witness wave after wave of God's judgments that will confirm the peril you are in. During the seven-year tribulation period, about half of the world's populations will perish and the earth will be devastated. Many supernatural signs will be seen that will force you to choose. Choose Jesus Christ, not the antichrist. Choose truth. Do not take the mark of the beast and do not be deceived by miraculous signs that are designed to overwhelm your sense of judgment and that contradict the word of God.

Many spectacular things will be witnessed by the entire world. Be very cautious. Choose life through your relationship with Jesus Christ so that if you die by starvation or pestilence or war or persecution, you will be with us in heaven. It will not be easy, but it is what you must resolve to do. Yielding to Christ is the single most important thing you can do. It's not something Gary and I can do for you. You, my dear friend, must seek God with all your heart, mind, and soul and come to him now. Finally, enter into this relationship with Jesus knowing that much will be expected of you. You do not have to be perfect. None of us are. In fact, God knows you will fall short and stumble, probably many times. But you do have to be committed to get back up when you fall and try again. An athlete runs the race, a musician plays the songs. And a Christian lives for the Lord. Now, let me turn this over to Gary, who will lead you through a simple three-step prayer to become a Christian.

Gary:

Thank you, Scott. God, in his mercy, has made the process of becoming a Christian incredibly easy. It begins with humble child-like faith. Some say it's easy as ABC. Let me share the ABCs of salvation. A in the ABC acronym stands for admit. You must admit you are a sinner and that you need God's forgiveness. You must acknowledge your sins to God as best you can. Pray and ask Jesus to bring to mind how you have not been what God wanted you to be. Admit and acknowledge that you are a sinner and have been disobedient to God, acknowledge your faults. Admit your need for a savior. But know this, we are all sinners. We have all done wrong. Every person on earth needs God's forgiveness. Every person needs a savior. That's why Jesus came. Romans 3:23 notes that, "We have all fallen short of the glory of God." But John 3:16 notes that, "God so loved the world that he gave his only son, Jesus, and whosoever believes in him will not perish, but will have eternal or everlasting life."

That's a wonderful truth. Believe it. And this leads us to the second letter in the acronym. B stands for belief. We must believe that Jesus is God's only son. Just as the Bible says, "We must believe that he came to earth, that he was born of a virgin, that he lived a sinless life, that he went to the cross and that he rose from the dead on the third day." We must believe that Jesus can forgive us so that we can stand blameless before God and be granted eternal life. You must believe this with all of your heart and mind just as Scott and I have for many decades. Also, we must believe that the Bible is true, that Jesus came to earth 2000 years ago, and recently he came in the clouds to catch up his faithful followers in the rapture. You have just witnessed this event. You know that the Bible is true, and that Bible prophecy accurately informs us as to what will come next.

We must also believe that Jesus is coming again at the end of the seven-year tribulation period and at that time he will bring an end to the reign of evil on earth. And C stands for commitment. Not only must Christ followers believe in Jesus. We must also commit to live for Jesus. Christians must commit their time, their gifts, their money, their efforts, absolutely everything to the service of Jesus Christ. This is how you will finish well. Christians live for Christ and not for self. Christians must be committed to walking a new path with different or new pursuits and priorities and passions than they had before they committed their life to Jesus. You must understand that when you accept Christ, the Holy Spirit will indwell you and supernaturally help you. When you become a Christian, you are changed. The Bible says you are "born again of the spirit." You become a "new creation".

With the spirit in you and guiding you, you will begin to experience a renewed and more healthy heart and mind. These are unconditional and unmerited gifts of God. You can't earn them. To faithful believers, God freely gives them. As result, you will grow in sanctification, which means you will grow and be set apart to live a new, different, better, and more holy life. A truly committed Christian will resist and avoid the old ways. Elements of the old life that did not honor Jesus Christ should be purged. A true Christ follower is committed to doing their very best to learn and grow and live for him. Now, if you would like to make a commitment to believe in Jesus right now and receive his forgiving touch and commit to live a new and better life with and for him, then formalize your decision by praying with me right now. Pray out loud. Pray from your heart. Pray with a sincere heart. You can repeat what I say, or you can pray in your own words as the spirit leads you.

A perfect prayer is not about perfect words. It's about pouring out your heart before the Lord. So, though you do not have to pray these exact words, I do encourage you to pray along with me. Scott and I want to help you in this most important next step. So, let's pray together. God, I admit that I have done wrong. I admit that I need you. God, please forgive me. I believe in Jesus. I believe he is my savior and Lord. I believe Jesus came and rose from the dead. I want to receive your gift of forgiveness and eternal life. Help me, Lord, to commit my life to you. Help me, Lord, to live for you from this moment forward. Amen. If you sincerely expressed that prayer, you can know that God has forgiven you and has given you the gift of eternal life. The Bible says, "I write these things to you so you would believe in the name of the son of God that you may know that you have eternal life." That's from First John 5:13.

Congratulations on your new life in Christ. You are now on a new path. You have missed the rapture, but you have been given a second chance. Make it count. In this pivotal point in history, you are about to embark on a new and incredible mission. Click on Part Three of this Post Rapture Emergency Message and Scott and I will share a few thoughts of what you need to know and do. We will briefly share what you need to be prepared for and how to download the 24 or so gigabytes of material that will help you grow in Christ. We want you to know how to grow in your new faith. We want you to know what's coming and how to live for the Lord in these critical last days.

## PART 3 of 3

Scott:

Okay friend, this is Part Three of three in our Post Rapture Emergency Message. The rapture has taken place. Christ has come and caught up his own. The Bible defines the period you are currently in as the tribulation. It is a terrible outpouring of God's wrath upon an unbelieving world. There are two focal points during this time with one common outcome, God has restrained himself up to this point, but the world has hit a form of tipping point. God has removed his restraining protection. The Bible reveals that God has judged the earth before. The flood and Sodom and Gomorrah are past examples. There are two purposes for the tribulation. First, the Bible says that God will punish evil doers all over the world. And second, he will bring the Jews to national salvation through faith in Jesus Christ, the one and only Messiah. Both parallel tracks, judgment of evil among the nations and national salvation of Jews in Israel, are done to exert tremendous pressure to get people to understand their need for Jesus Christ.

This is the common outcome I mentioned. Salvation is only a child-like prayer away, and yet, sadly, many will resist in pride, ignorance, and self-delusion. May that not be said of you. Seven years of 30-day months, or 2,520 days after the Anti-Christ signs a peace covenant with the nation of Israel at the end of the tribulation period Jesus will come again. This is the second coming of Christ that has captured people's fearful imagination for hundreds of years. You must be ready. I pray you have finalized your spiritual decision to commit your life to Christ to yield to God's purposes for you in these days and to

strive to use the remainder of your life for him. If you have, then you can know that the angels in heaven are rejoicing. God has been waiting for you. Jesus came for you, lived for you, died for you, and right now wants to use you.

Yes, use you because all born again Christ followers were taken at the moment of the rapture. There are not many left on earth today who know the truth, but that will soon change. There will be tens of millions of people all over the world that will come to faith, repent, and believe in Jesus so as to be saved. The Bible says that the number of people saved during the tribulation are a great multitude. Gary and I strongly believe God wants to use you by sharing the truth with others. It might be obvious to you now, but there are not many who know that the Bible is true, and that Bible prophecy foretold the rapture and the events of the tribulation period. There are not many who know how to be saved. There are not many who know what is to come. Right now, people are frightened and confused. Many have questions. You have the answers, and they are based on the word of God, the Holy Bible.

You will learn a tremendous amount and come to know many answers to the questions you and others will have. They're in the Bible. So, to be a servant and witness for the Lord, this is your mission now. You can live a life of purpose and intentionality. You can honor the time that is left for you. You can excel as you courageously and sacrificially share as much as you can with others. You, my friend, have been saved to witness and to serve. You are now on the front lines of God's mission to bring many into saving faith as possible. Make no mistake, there's a series of epic battles on the horizon. Gary is going to speak to you next about Bible prophecy and how we knew we needed to get ready to meet your need for information about what in the world is happening in these days. Gary.

Gary:

The I Am A Watchman Ministry team was able to anticipate the rapture because prophecies in the Bible noted that the event was coming. About a third of the Bible is prophetic in nature. There are more than 1,000 prophecies in the Bible and more than 900 have already been fulfilled exactly as asked for told. The rest are yet to be. The biblical record of fulfilled prophecy is 100% accuracy. No Bible prophecy has been proven to be an error, although many have vigorously tried over the centuries. Fulfilled Bible prophecy validates the integrity of the word of God. The fact that the rapture has occurred confirms this and I can say without equivocation that what Bible prophecy says is about to happen will happen exactly as indicated in the books of Revelation, Matthew, Daniel, Ezekiel, Zachariah, Isaiah, and more. Our heart aches for you right now. Let me share a summary of what to expect.

The world is about to experience an unprecedented season of change and tribulation. A new and terrible global leader who will in time be known as The Anti-Christ, he will rise to power and with him new global economic, religious, and military systems. Ultimately, all of these will be under his control. The Anti-Christ will reign on earth for seven years. It will be the most difficult, most oppressive seven years the world has ever known. You will likely personally witness horrific and terrible acts of evil. This period known as the tribulation period will be marked by an epic battle of good versus evil. At stake is the eternal destiny of billions of souls on planet earth. Two things will happen simultaneously. The Anti-Christ will rise to power with seemingly spectacular answers to the world's problems. Endowed with supernatural but evil insight and abilities, he will appear to be a benevolent and brilliant man, an influential and charismatic leader.

But in time he will show himself to be the most evil man who has ever lived. Those who resist his leadership or dare to worship the one true God of the Bible will be severely oppressed. Three and a half years into his reign, there will be an all-out effort to isolate, imprison, and execute all who oppose him. This persecution and the wars and economic hardships the Anti-Christ will usher in will leave billions dead. The Bible notes that about half of the world's population will die in two massive waves. The Anti-

Christ is evil personified and any appearance of good in him is only subterfuge to deceive the world. At the same time, the Anti-Christ rises to power, God, through a series of signs, wonders, messaging through prophets and angels, sending revivals and even tribulations, through these things and more he will seek to remind the world that the Bible is true, and that salvation can only be found by putting one's trust in Jesus. Not in Allah or Buddha or Hindu gods. Not in transhumanism, technology, or AI.

Salvation is only possible by the grace of God through faith in Jesus Christ. That's your message to others now. That's your mission, to share as loud as you can for as long as you can, to as many as you can, that salvation can be found by putting your trust in Jesus Christ. During the tribulation, there will be war, drought, poison waters, earthquakes, persecution, unbearable heat, and unusual darkness. But there will also be a phenomenal turning of many to faith in Jesus for salvation. Many will come to faith in the Lord and a new underground church will be born. It's likely that in many ways the church of the last days will be similar to the early Christian Church that was severely persecuted by the Roman government. Did you know that almost two million Christians were put to death for their faith between the years 100 and 400 AD? That's an astonishing number, especially given the population base at that time.

Unfortunately, the time of tribulation you will be living through and the persecution of believers the Anti-Christ will bring to bear will be much worse. Because we care for you, we are now sharing with you a hard truth. There's just no way to sugar coat the severity of what you will face. Your only hope is a deep abiding faith in Jesus Christ. It is unlikely he will insulate you from the tribulations that are coming, but he will stand with you and strengthen you and comfort you as you face them. Take courage in the fact that for many centuries other brave Christians have gone before you. They have shown that it is possible to stay strong in the faith and to be a witness for the Lord even in the midst of hardship, even though it cost them their lives. You are not the first and you are not alone. Others have stood against evil and so can you. Dear friend, by the witness of new believers like you, millions across the globe will come to faith in God during the seven-year tribulation period.

You are living in one of the greatest periods of evangelism in the history of the world. Believe that you have a role. You can be a part of a great revival in these last days by being a strong and faithful witness for the Lord. It will not be easy, but those who have gone before you have set an example, and those who finish well will receive a great reward. What is needed at this time in history is watchman. The term watchman is a biblical term. A watchman is a person of great courage and conviction. A watchman is like the special forces of the military. Watchmen are proactive, fearless individuals, quick to share, quick to sacrifice, quick to move into action. Watchmen study to learn what God has done in the past and they will share what God is going to do in the future. Watchmen have a concern for the spiritual welfare of others. They watch and they warn. They shine as bright lights in the darkness, helping all to behold the Lord and his plan of redemption for mankind.

Yes, you can play an important role in the work of God in these last days. Friend, I challenge you to not just believe in the Lord, but to really live for the Lord as a watchman for the Lord. To help you learn and grow in the faith, the I Am A Watchman Ministry has prepared a library of free material that you can download. It's called a Rapture Kit. Scott and I believe that the books and documents and teaching videos in the Rapture Kit represent a valuable resource that you will want to take advantage of. Remember, faithful believers who served as Bible teachers and pastors, those who had a genuine born-again experience, well, they have been taken in the rapture. The true church is gone. So, for now, while God is raising up the next generation of ministry leaders, we encourage you to lean heavily on these materials. They will help you to know what is true, they will help you know what is to come, and how to prepare for what is to come.

They will help you understand the Bible and to be prepared to share and teach the spiritual truths that are in the Bible. Let me pass the message back to Scott, who will explain how to access, download, and use the resources in the Rapture Kit.

Scott:

Dear friends, I now call you brothers and sisters if you have made the decision to follow Christ and commit the rest of your life to him. It is time for me to share how to access the incredible depth of information that Gary and I and the I Am A Watchman Team have prepared for you. This is where we, your fellow brothers and sisters that have gone before you, are passing the Baton to you. On the [rapturekit.org](http://rapturekit.org) website, you will find an option to make your own Rapture Kit by downloading a complete set of files and folders. There are screenshots with step-by-step instructions and several video tutorials that you should find helpful. It is a lot of data so be patient if it takes you some time, perhaps many hours. Gary and I imagine that many others are also downloading them as we speak, so it might be slower than normal. Be patient and do not give up.

If the downloads keep getting interrupted, push on and try again. You must prevail. Your goal is to find the link to one of three download sites we have prepared in advance, [box.com](http://box.com), [dropbox.com](http://dropbox.com), or [sync.com](http://sync.com), and download everything that you can. Among these resources are two video presentations for what has just happened during the rapture. There are several PDF versions of the Bible so that you can always have one to study. We have PDF eBooks covering many topic areas, including the story of Jesus, which also can be used as a Bible study to teach others. There's a five-and-a-half-hour long presentation covering 14 different topics entitled "What Tribulation Saints Need To Know That Will Help Prepare You To Face What Is Coming." We've collected many sermons from seasoned pastors, some in audio format and some in video, to help you learn for yourself and to communicate biblical truth to others.

There's almost too much to cover here, about 25 gigabytes of data in all. You are encouraged to download these resources to your PC or Mac and to copy it to a 32 gigabyte USB drive as often as you can, for as long as you can. When you see someone that needs to hear the Gospel message and discover the amazing truth of the word of God, then you can either give them a USB drive or, better, copy it to their computer or device and keep the original so you can continue to give it to others you meet. For the record, you can do this as often as you like for free. We strongly encourage you to do this. Spread the materials in this Rapture Kit resource. This is your mission now. I'd like to conclude my part by saying that I will look forward to seeing you one day soon. There will be a great reunion with those that have preceded you in death or the rapture.

If you have a spouse or kids that were taken in the rapture, just know that they are safe with us in heaven, and you will see them again soon. But it is critical that you put your faith, belief, and trust in Jesus now. Do not put off your decision because with so many people dying all over the planet, you may never see death coming. It's best to not put your eternal future at such risk. You are warned. And more than that, Gary and I love you in the Lord and want you to be with us in heaven. I wrap up with a final warning. It will be extremely important to avoid the mark of the beast and to strive to finish well. You may have missed the rapture and it will be extremely difficult for you, but it is not too late. More on these topics are covered in the download links and materials in the Rapture Kit. Godspeed. May you thrive in this season.

Gary:

Brothers and sisters in Christ, I want to encourage you to be strong. There is much to learn and much to do, but God will help. You might stumble, but God is quick to forgive and to help you to move on. The

key is to trust him and not give up. Satan may whisper, "The work is too hard for you," or, "It's time to quit," or, "You are not worthy." Don't listen to a liar. Know this, God loves you. He has given you this late hour opportunity to reset and live for him. Remember, those who live well for him and finish well for him will receive more from him than anyone can even begin to imagine. Be faithful. Be strong. Scott and I and our spouses and the I Am A Watchman Ministry Team look forward to seeing you soon. God bless you.
